TERMS & CONDITIONS OF THE AUCTION

This auction is for the property known as 368-370 River Street, Haverhill, Massachusetts (hereinafter "the Premises").

Verbal descriptions by RD WAB SPV LLC (hereinafter "the Mortgagee"), the Auctioneer or anyone connected with this sale shall not invalidate nor become part of this sale, as the Purchaser, by bidding here today acknowledges that he/she has examined these premises and the title thereto, to his/her satisfaction and accepts all known and unknown defects.

The Mortgagee and all parties for whom the Auctioneer may be acting shall not be liable for any reason whatsoever as to the accuracy of description of the listed Premises, the bounds, area involved, building and or buildings, taxes and encumbrances of every name and nature.

The Purchaser shall deposit the required deposit with the Auctioneer. Failure on the part of the Purchaser to execute a Memorandum of Sale after the Premises are sold to him/her or failure on the part of the Purchaser to perform within the specified time, as stated here today, will result in a forfeiture of deposits as liquidated damages and not as a penalty for not completing this sale.

If the deposit is so retained, it shall become the property of the mortgagee as seller under this agreement and shall not be applied on the mortgage debt and such retention of the deposit shall not release the successful bidder from his or her obligations hereunder, should the mortgagee decide to pursue the same, the mortgagee reserving the rights to pursue and/or cease to pursue any and all other rights, remedies, and courses from time to time available. Should the mortgagee elect to pursue such remedies, or should the mortgagee seek damages against the successful bidder for any reason whatsoever, the mortgagee shall be entitled to recover from the successful bidder its reasonable counsel fees and costs associated with any legal action (whether or not a lawsuit is instituted).

The Purchaser is buying subject to "GUARANTEED PERFORMANCE" of the amount bid and entered on the Memorandum of Sale. Guaranteed performance is understood to mean that in the event of default, by this Purchaser, necessitating a resale at public auction for any lesser amount, this Purchaser will pay the difference between his/her bid and that of the resale bid, if any, and further agrees to pay all costs of collecting said deficiency, if such is needed, to include reasonable attorneys fees, court costs and witness fees. The Purchaser shall have no claim to any excess that may be created by a resale.

In the event that the Purchaser at the foreclosure sale shall default in the purchase of the Premises according to the terms of this Notice of Sale and/or the terms of the Memorandum of Sale executed at the time of the foreclosure, the Mortgagee reserves the right to sell the property by Foreclosure

Deed to the second highest bidder provided that the second highest bidder shall deposit with Mortgagee's attorneys, Mirrione, Shaughnessy & Uitti, LLC, the amount of the required deposit as set forth herein within three (3) business days after written notice of default of the previous highest bidder and title shall be conveyed to said second highest bidder within twenty (20) days of said written notice. If the second highest bidder shall refuse to execute the Memorandum of Sale, the Mortgagee may, but is not obligated to do so, purchase the Premises for the amount of the second highest bid.

The owners of the premises, the Auctioneer and all parties for whom the Auctioneer may be acting, shall not be liable to any/all persons while you are in, on or about the Premises. ALL PERSONS ARE UPON THESE PREMISES AT THEIR OWN RISK.

Where a deposit has been made, only the refund of such deposit will be made to the Purchaser and this shall be Purchaser's sole remedy at law or in equity if (1) this parcel cannot be delivered in accordance with the terms as specified; or, (2) the foreclosure is rendered void or voidable due to a defect including, but not limited to, inadequate notice to lienholders, inadequate publication or defective judgment. The Purchaser agrees to accept as full settlement the refund of such deposit and to create no liability against the Mortgagee, the Auctioneer and all parties involved in this sale.

If the Mortgagee is unable to convey title because the Land Court has not yet issued a physical Judgment pursuant to the Service Members Civil Relief Act, the Mortgagee will be entitled to an extension of time to perform until it receives said Judgment. Upon receipt of the Land Court Judgment and notification to the Purchaser, the Purchaser shall have five (5) business days from said notification to deliver the balance of the purchase price. Notwithstanding the foregoing, the Purchaser shall have the right to accept conveyance without the Land Court Judgment, in which case the Purchaser assumes all risks and responsibilities related thereto. Time is of the essence of this agreement.

The Auctioneer reserves the following:

- (1) the right to re-offer the listed parcel, opening at the last bid, in the event two or more bidders claim to be the successful Bidder.
- (2) the right to bid for and on behalf of any Purchaser and the Mortgagee.
- (3) the right to accept or reject any and all bids.

No personal property within, on or about the listed Premises is included in this sale unless specifically listed in an attached sheet as an addendum.

The Purchaser shall take the property subject to all real estate taxes, water and sewer charges, utility obligations, assessments and liens or claims in the nature of liens up to the time of the recording of the Foreclosure Deed.

The Purchaser shall pay all costs of recording and required documentary stamps. In addition, the Purchaser shall be responsible for any attorney's fees and costs relative to title examination, document preparation and closing as well as any real estate broker's commissions which may be due, if any.

The title to the Premises shall be that which was conveyed by the Mortgage Deed to the Mortgagee and the Purchaser shall take title to the Premises by the usual Foreclosure Deed without covenants.

The Premises is being sold "AS IS" and without representation or warranty of its condition, construction, fitness for habitation or whether it conforms to applicable federal, state or local building and sanitary codes, including but not limited to whether or not the septic system, if any, complies with Title 5 Regulations enacted by the Department of Environmental Protection and any and all state and local requirements for septic approval and inspection. Any and all septic system approvals, certifications, inspections and upgrades shall be conducted and paid for by the Purchaser. The Purchaser hereby agrees to inspect the septic system, if any, and comply with Title 5 requirements at his/her own expense. The Purchaser agrees to indemnify and hold harmless the foreclosing Mortgagee concerning any and all ramifications arising from Title 5 septic requirements. THE FORECLOSING MORTGAGEE SHALL NOT BE LIABLE OR RESPONSIBLE FOR ANY APPROVALS, CERTIFICATIONS, INSPECTIONS AND UPGRADES OF THE SEPTIC SYSTEM, IF ANY.

Purchaser acknowledges that the Premises is being sold in an "AS IS" and "WHERE IS" condition, without any representation or warranty whether express, implied, or imposed by law. Without limiting the foregoing total exclusion of representations and warranties, the sale is made without any representations or warranties as to the title, or as to the validity, enforceability, or perfection of Mortgagee's right or interest. Purchaser also acknowledges that Purchaser has not been influenced to enter into this transaction nor has it relied upon any warranties or representations of any kind, whether express or implied, including, without limitation, warranties as to merchantability of fitness for any particular purpose. In addition, Purchaser acknowledges that Purchaser shall be obligated to obtain all necessary certificates, permits or approvals in connection with the sale, construction, development, use or occupancy of the Premises.

The Premises is being sold subject to the rights of all existing tenants, occupants, and others claiming possession, if any. No representation is made by the Mortgage holder as to whether the present tenancies are subject to rent control, or what, if any, the monthly income rental income is from such tenancies.

The Purchaser, if needed, will be responsible for installation of fire and smoke detector devices in compliance with Massachusetts General Laws.

The Purchaser will be required to sign a notification certification that he/she has been properly advised as to the fact that the Premises being sold, if built prior to January 1, 1978, may have lead paint contamination. The Purchaser will be responsible for compliance with Massachusetts lead paint laws and regulations. In addition, the Mortgagee makes no representation of the Premises contains asbestos, radon or any other contaminant. The Purchaser shall take the Premises AS-IS.

Copies of the Memorandum of Sale and any certificates as announced are available for inspection.

The delivery of the Foreclosure Deed by the Mortgagee to Purchaser shall be deemed to be a full performance and discharge of every agreement and obligation of the Mortgagee.

The Auctioneer requests that all qualified bidders, please remain on the Premises even after the parcel is declared as sold, as the auction proceedings are not complete until the deposit as stipulated in the newspaper advertisement has been accepted by the Auctioneer, the Attorney and/or the Parties in Interest and the Memorandum of Sale has been signed.

The subject is zoned RU (Residential Urban Density) which allows single-family and two-family dwellings by right, while multifamily uses are allowed via a special permit by City Council.

The appraisers are not experts in the interpretation of complex zoning ordinances, but the improvements appear to be a *legal non-conforming* use of the site due to below code minimum lot size, the multifamily use, and below code parking. Please note that the determination of compliance is beyond the scope of a real estate appraisal. It is recommended that local planning and zoning personnel be contacted regarding more specific information that might be applicable to the subject.
